The list could go on and on, but the most important thing we achieved in 2009 was bringing hundreds of sick children and their families from around the world together during the hardest times of their lives, providing them with much-needed comfort and support.

We are so grateful to all of our contributors, partners, volunteers, donors, board members and staff who helped Camp Sunshine raise the bar to remarkable heights in 2009, and these past 25 years. With your continued support, we know we can help thousands of more children with life-threatening illnesses and their families benefit from the magic of Camp Sunshine for another 25 years.

Camp Sunshine is a year-round retreat, which provides respite, support, joy, and hope to children with life-threatening illnesses and their families through various stages of a child's illness. The program is free of charge to all families, and includes 24-hour onsite medical and psychosocial support. Bereavement groups are also offered for families who have lost a child to an illness.

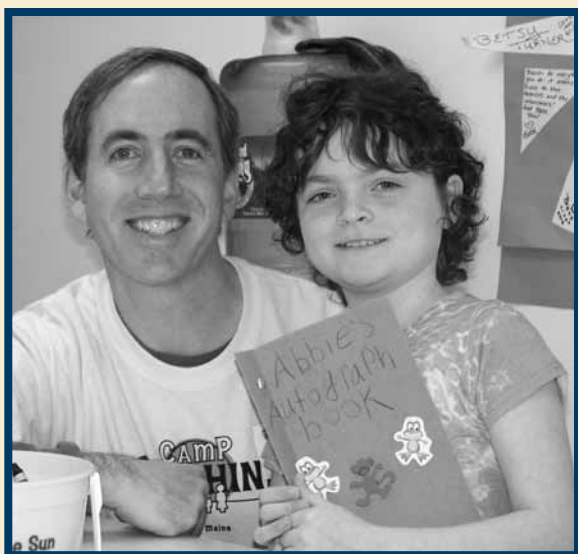

Since 1984 Camp Sunshine has provided a safe haven for over 32,000 family members from diverse cultural backgrounds.

Camp Sunshine was established in 1984 by Anna Gould and Larry Gould. From 1984 to 2000, they donated their facilities and hosted camp sessions for thousands of children with life-threatening illnesses and their families.

The program was highly regarded, with increasing numbers of referrals from multiple medical centers. It soon became apparent that Camp Sunshine had to expand. In 2001, Camp Sunshine opened its doors to its own permanent year-round facility.

The first summer of operation at the new campus saw the greatest number of sessions ever offered by Camp Sunshine, opening its doors for eight programs.

Since that time, Camp Sunshine has continued to expand. In 2009, 23 programs were offered, including a grand 25th anniversary celebration weekend. In 2010, as we embark on another 25 years of service, and in furtherance of our expansion plan, we hope to offer 25 sessions of camp.

While Camp Sunshine has been busy enhancing and expanding its program over the years, we continue to focus on securing the future of the program. We also continue to make improvements and additions onto our facilities. In 2009, we completed the \$250,000 New Balance Foundation matching challenge, adding \$500,000 to our endowment fund, in addition to other major endowment gifts received. We also received a \$500,000 commitment from the Orokawa Foundation for the expansion of volunteer housing.

Since Camp Sunshine's inception, the program has served families from forty-seven states and seventeen different countries.

Since Camp Sunshine’s inception in 1984, we have served over 32,000 family members from 47 states and 17 different countries. In 2009, 651 families, comprised of 2,576 individuals, enjoyed a much-needed respite at Camp Sunshine at Sebago Lake.

A Letter from a Camp Sunshine Family to The Leukemia & Lymphoma Society

Dear Leukemia & Lymphoma Society,

We would like to thank you for giving us the opportunity to come to Camp Sunshine. It was like you gave us a pass to a place that allowed us all to take a break from our long journey of a life with cancer.

My son Ari was diagnosed with high risk ALL on May 28, 2006. He was 3 years-old. He is my true superman. Along with his strength and courage he has a big heart. He told me, "Mommy, I feel sad for the people who don't get to come to Camp Sunshine." That's how much he enjoyed it here. Since his diagnosis, we have done nothing but go to doctor appointments, endure hospital stays, chemo and blood transfusions, and everything that comes with cancer. Ari has endured a lot, and his siblings have too. They are woken up at 2 a.m. because Ari has a fever and we need to rush to the ER, and sometimes I need to give Ari a little more attention. I often feel bad for them. His younger brother and sister often worry about Ari and when he goes to the hospital, even if it's just for counts, they always ask if he will come back. They love their big brother and sometimes it really causes them to feel stress knowing that he gets sick a lot.

Being at Camp Sunshine we were all allowed to have fun and relax. It wasn't all about the cancer that invaded our lives. It was about running, swimming, laughing, meeting new people and for one moment just feeling a little normal. I hope you can continue to give families the same opportunity you have given us. It was a great gift that we will cherish forever. Ari has come to the end of treatment. It's been a very long three and a half years but we are hopeful that all turns out well. We hope to return to Camp Sunshine next year because it's a great place and we've met great people as well. My favorite thing is that this camp included everyone in the family because cancer is a struggle for the whole family, not just for Ari.

Thank You,
Rebekah, Ari, Esai, Isela Acevedo

*Camp Sunshine is proud of its partnership with
these illness-related organizations:*

*Bryan's Dream Foundation, Children's Brain Tumor Foundation,
Diamond-Blackfan Anemia Foundation, Fanconi Anemia Research Fund,
Jenna's Rainbow Foundation, Lauren's First & Goal Foundation,
The Leukemia & Lymphoma Society, National Kidney Foundation of Connecticut,
Shwachman-Diamond Syndrome Foundation and The S.L.E. Lupus Foundation.*

Our greatest asset at Camp Sunshine is our extensive network of volunteers, many of whom return year after year. In 2009, more than 2,500 volunteers generously donated their time to support the program.

Volunteers collectively invested more than 70,000 hours in Camp Sunshine in 2009, resulting in a tremendous cost savings. Since 1984, over 24,500 volunteers have generously contributed more than 820,000 hours of their valuable time.

Beyond saving the program hundreds of thousands of dollars annually, it is the “spirit” the volunteers add which has the greatest value.

I was fortunate enough to first volunteer at Camp Sunshine in September 1999 during my senior year of high school at Holy Name. Not knowing what to expect I was incredibly nervous and anxious. That session forever changed my life. Volunteering at Camp has been the most rewarding experience and over the past 10 years, the families and volunteers I have met have truly been an inspiration to me.

When I first tell people I volunteer at Camp Sunshine the immediate response is “I could never do that, it would be too hard.” I try to explain that Camp is a place where kids get to be kids and the focus isn’t so much on their illness but on having fun. A place where siblings get just as much attention as their sick brother or sister and parents get to relax and enjoy themselves.

As soon as you walk through the doors there’s a calming sense of feeling at home. There is no greater joy than to see the smiling faces of the children and parents after a camp session. Thank you to all the families for sharing your children with us. We as volunteers get just as much if not more out of spending a week with them.

Sincerely,
Maureen “Mo” Leary

We sincerely thank each of our volunteers for giving so generously of themselves so that our families could regroup, re-energize, and restore hope.

A note about our financial strength & well-being...

I am pleased to present the audited financial report for Camp Sunshine at Sebago Lake, Inc.

The fiscal year starting November 1, 2008 and ending October 31, 2009 showed an improvement in our assets, and a significant increase and recovery in our investment portfolio over 2008.

Our 25th anniversary year was one of our best years yet. Of particular note was the continued support of our annual fund and family sponsorship needs, and our special events. Despite a troubled economy, donors responded generously in all categories. Likewise, donor support towards our endowment and capital needs was strong.

We remain grateful for the wonderful support we have received from so many generous donors and volunteers.

I extend a special thanks to our staff and board for preparing and reviewing the materials necessary for the auditors to complete their work in a timely manner.

We present the financial report for your review.

Donald H. Toms
Treasurer

"We are proud to be a continued source of support for such a wonderful organization helping families from around the country."

President & Chief Operating Officer

Maintaining Momentum

Of note in 2009 was the completion of the New Balance Foundation \$250,000 challenge, matching all donations of \$250 and above to our brick walkway donations program. This challenge resulted in an addition of \$500,000 to Camp Sunshine's endowment fund. Another major boost to Camp Sunshine's endowment and capital fundraising efforts came from the Orokawa Foundation, who committed \$500,000 towards the expansion of Camp Sunshine's volunteer housing. This new commitment brings the Orokawa Foundation's total endowment and capital support to \$1.5 million.

In the column to the right, we gratefully acknowledge those leadership donors who have made generous contributions of \$25,000 or more as of December 2009, bringing our total commitments to over \$9 million. Their support, and that of Camp Sunshine's many other friends, adds great momentum during this critical time in the campaign and in the history of the organization. Thanks to these donors, Camp Sunshine will be able to keep its doors open for many more children with life-threatening illnesses and their families long into the future.

How to Get Involved

Throughout the course of the endowment & capital campaign we will be writing more about these efforts, and will keep you informed every step of the way. In the meantime, please feel free to contact Camp Sunshine's Executive Director Matt Hoidal at (207) 655-3800 for more information on how you can help us keep the sun shining year-round at Camp Sunshine, forever.
